Ten Years Strong: Growing OAHS Together

Written By: Lexi Woodworth, Shelter Director

August 2025 marks ten years of being the Shelter Director for the Oconto Area Humane Society. Looking back at my journey as a director has me experiencing many emotions. There have been successes and failures. Tears of happiness and tears of sorrow. But through it all I have never stopped pushing OAHS to be the best it can be. Embracing change, even when it is terrifying to do so, has been my proudest achievement.

The credit to the success of OAHS goes to those who have supported us along the way. Thank you to my family and friends who have always supported my dream. Thank you to past and present members of OAHS' Board of Directors for believing in me and supporting my vision of the shelter. The staff I cannot thank enough for showing up every day over the past decade ready to work hard and do the best for the animals. They have helped every wild plan come to fruition and make OAHS better through their passion for our mission. Thank you to the volunteers that always show up. Whether you have volunteered an hour or have been coming weekly for a decade you have made a difference. You help move OAHS forward. Thank you. Lastly I would like to thank the community. Your support is the backbone of the shelter, without it we couldn't stand up. Thank you for your generosity and love for the animals at OAHS. I cannot wait for what the next ten years brings at OAHS.
